Naturally silky soft and exceptionally comfortable, bamboo sheets and bedding are also antibacterial and eco-friendly. The structure of bamboo provides superior ventilation and wicking that keeps the user cool and comfortable when hot and warm when cold. 250 count twill weave construction gives bamboo sheets unique high comfort and performance not found in higher count sheets. Top hems and pillowcase cuffs are sewn with a sherry stitch. Coverlet and shams have a brick quilt pattern with two-ounce polyester fill. Sheets and bedding are oversized to fit high loft mattresses. Featured in *The Wall Street Journal*, February, 2007. Easy care and machine washable.
